The Canadian National Flying Club Presents
The 2011 Upper Canada National and the
3rd AUTO Band Prize

Saturday 18 June 2011

With no AUTO band sales or fundraisers this year we need to return to charging an entry fee for the 2011 race. This must be in the form of one cheque from the combine totaling \$2.00 per loft for each loft participating including rental clubs.

Combines are to make cheques payable to the Canadian National Flying Club and mail or personally deliver to the Canadian National Flying Club Treasurer Mike van der Jagt, 139 Westmount Drive North, Orillia, ON, L3V 6C6.

Payment must be received by Monday 27 JUN 2011 or risk disqualification.

As in past years, results will only be accepted by Combine. Those clubs that do not fly with a combine must contact the race committee prior to the race to make special arrangements.

Each Combine is responsible for forwarding one WinBird file to the Canadian National Flying Club Race Secretary, Joe Martire at Tipes@Tipescanada.com.

OVC, EOC, UNC, NRRPA, CORPF Race Secretaries:

Please ensure the results arrive by WED 22 JUN 2011. Results not received from the Combine race secretary by FRI 24 JUN 2011 are subject to disqualification without further appeal.

Please be prompt. If you encounter any problem meeting this deadline, call Joe at telephone (905) 434-5656.

The Ottawa Valley Combine driver will have a satellite phone available for all drivers to contact their liberators.

Please be sure that all your race birds are registered properly in accordance with CRPU rules. If you have any doubt, please confirm ownership.

As in all past years, all CRPU rules apply. Any dispute arising from this race shall be decided by the race committee, whose decision shall be final.
